

Human Rights Issues in Slovakia and Czechia

Erasmus + Wieliczka 2021

1. LGBTQ+ and marriage

- In the Czech Republic homosexual couples aren't allowed to get married
- Based on this fact they can't adopt a child

1.1 Current president of CZ:

„I think transgender people are totally disgusting.“

„If you undergo a sex-change operation, you are basically committing a crime of self-harm.“

„Artist created their most beautiful pieces when they were hungry.“ – statement connected to pandemic

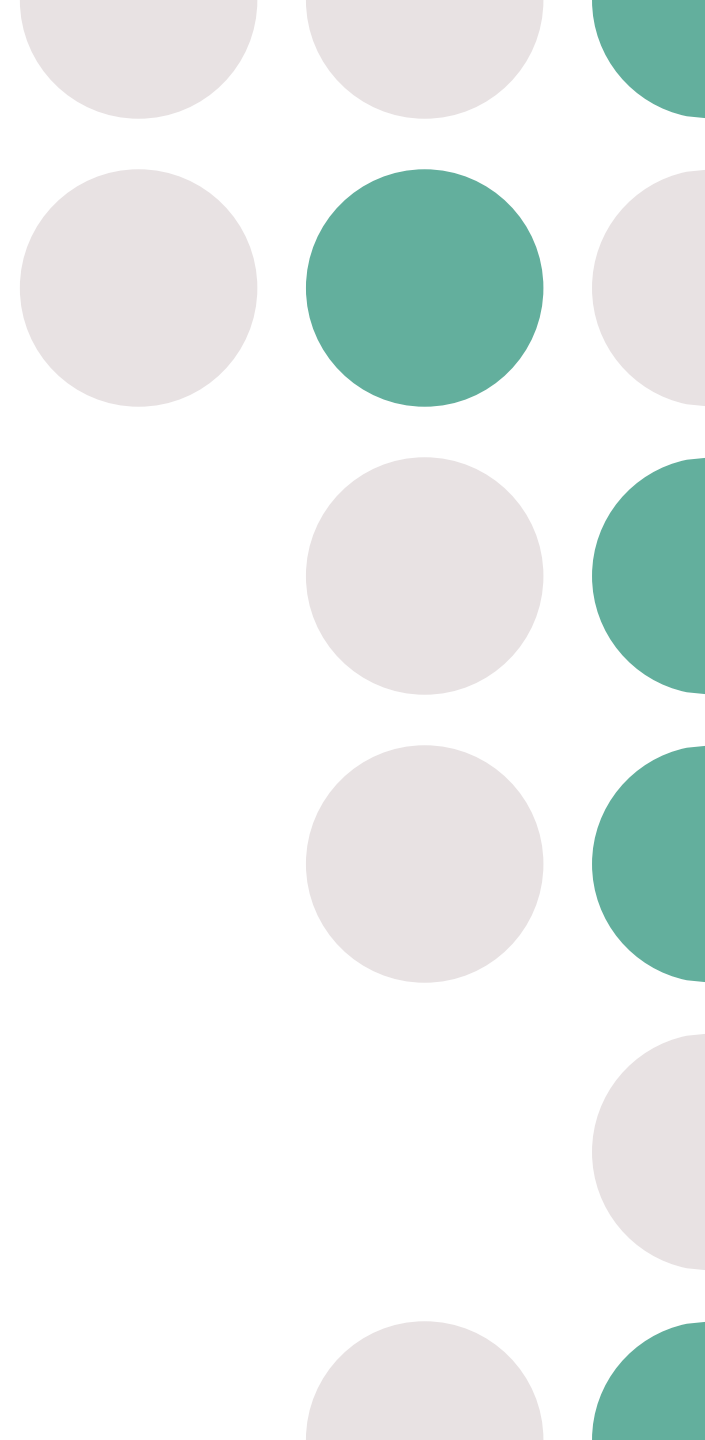

2. Racism

- racist government and most of the citizens
- Minorities (gypsies, ukrainians,...)

3. Corruption

- Government is corrupted

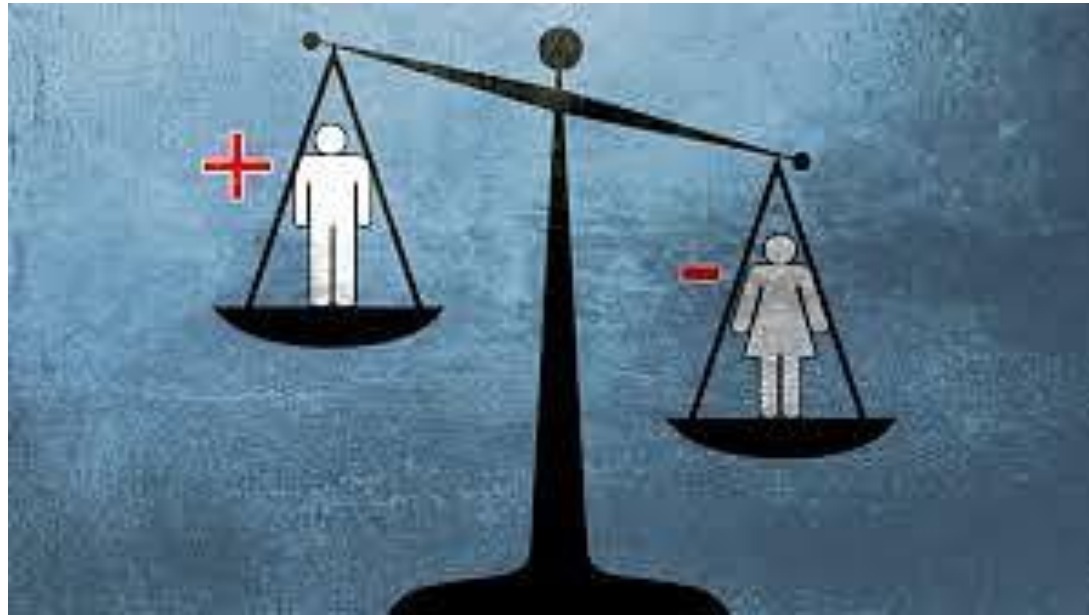

4. Refugees and imigrants

- Our countries don't accept any refugees and imigrants

5. Social equality

- Our countries still a bit consider men as the more powerful gender

Thank you for your attention.
